

# Think Confidence.

Less Downtime. More Productivity.

“The hybrid combination of electronic controls with the hydraulic proportioner should provide an improved field performance.”

*Dave Lall, General Manager/Owner  
Demilec USA  
Arlington, TX*

## New Graco|Gusmer technology designed to maximize your spray foam performance.

Get the best of both worlds with the new Reactor® H-25™, the first hybrid Graco|Gusmer hydraulic foam unit on the market. Lightweight and easy to use, the H-25 combines the Gusmer pump line and Graco technology including digital controls and system diagnostics.

Get the job done right. Get total control. Visit us today at [www.graco.com](http://www.graco.com) or call 1-877-844-7226.
